**INTERVIEW SUMMARY**

Sir:

Applicants thank Primary Examiner Neveen Abel-Jalil and Assistant Examiner Tomasz Ponikiewski for the courtesies extended to Applicants' representative Christian Austin-Hollands during the June 28, 2006 personal interview.

During the interview, Applicants representative argued for withdrawal of rejections under: 1) 35 U.S.C. §112, 2<sup>nd</sup>; 2) 35 U.S.C. §101 and withdrawal of the provisional double patent rejection, based on arguments presented in the June 8, 2006 Amendment.

In particular, Applicants' representative differentiated the claims of the instant application from co-assigned Application 10/626,856. The claimed invention was also argued as defining patentable subject matter over the art of record.

As a result of the interview, it was agreed that the response filed on June 8, 2006 overcomes the 35 U.S.C. §112 and §101 rejections and that

Application No. 10/626,875

Docket No. D/A3053-311291

the examiners would consider each of the arguments presented.

Respectfully submitted,

Christian Austin-Hollands
